## ***Nadira in workshop and summer hafla***

**August 19, 2006**

Open to dancers of all levels. Workshop includes, but is not limited to Award winning Transitions & Combinations.

**Elegance Defined:** Without a doubt, Nadira has evolved into one of the most passionate, elegant, and graceful Bellydancers performers in the Northwest. Having graced many audiences throughout the U.S. and Canada, her dance form has become both graceful and seamless. Through studying with North America's top performers, both past and present, Nadira has discovered how to truly make this dance her own. As testament to her expanding dance repertoire, she has laid claim to four national titles and has won countless praises from both her peers and instructors alike. Join us as we take this opportunity to study with this phenomenal dancer, in a workshop designed to power your dance. Learn traveling movements, transitions, and combinations sure to captivate your audience!
